The area of the Barpeta and Sib-sagar towns was reduced between 1881 and 1891, and the figures for 1881 corrected accordingly. Similar corrections have been applied to the figures for 1872, but it is not known where the figures for Barpeta were obtained, as they are not recorded in the Bengal Census Report for 1872. The figures for Silchar, Goalpara, and Dibrugarh for 1872 are taken from the Census Report for 1881. It is not known where Mr. Driberg obtained these figures, and there is good ground for questioning the accuracy of those for Goalpara and Dibrugarh.
